

MyVetLink gives you instant online access to your official state certificates of veterinary inspection. Working with your local GlobalVetLink participating veterinarian and diagnostic lab, MyVetLink ensures that you will never be without access to the veterinary documents that you need. Your digital documents are securely stored for instant access online. Just download and print your EIA (Coggins) and other health certificates as needed.

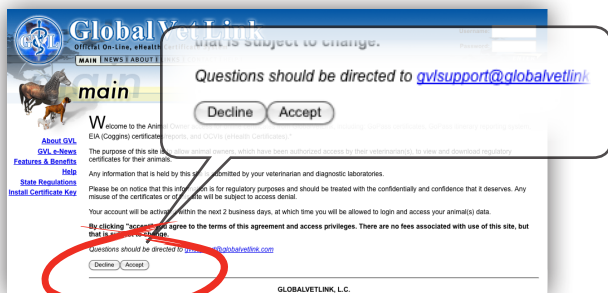

1 Go to www.myvetlink.com

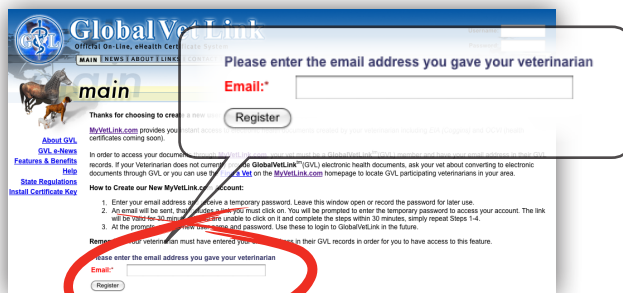

2 Click on "Sign Up" in the upper right hand corner

3 Click accept to accept the terms and conditions of using GlobalVetLink's website.

4 Enter your email address in the search field and click "Register"

5 After your email address has been confirmed you will see a temporary password in red, and a message will be sent to your email address.

6 Leave the window with your temporary password open and open a new window to retrieve your email.

7 Open the email from GlobalVetLink and click on the link provided in blue. (The link is valid for 30 minutes. If the link expires repeat steps 1-4).

8 After clicking the link within the email you will be asked to enter the temporary red password from the original window.

9 You will be asked to create a username and new password.

10 The username can be anything but we suggest something as easy as your first initial and last name. (Ex. jsmith)

11 The password must be at least 7 characters long and contain at least 1 number, 1 letter, and 1 special character (Ex. jsmith1!)
